GREETING MR. PANCA

Dear Partners,

RajaMICE is once again proud to present The 9th Indonesia MICE and Corporate Travel Mart (IMCTM). We would like to thank you as one of respected seller or buyer for the IMCTM 2016. This event will be held on 2nd-3rd December 2016 at the Royal Tulip Gunung Geulis, Bogor.

Allow us to thank you Garuda Indonesia which invite Corporate Buyers to attend the event. This year the event includes selected and limited number of quality buyers and sellers to meet over a comprehensive business session. An opportunity and the perfect place where your brand as a seller meet with the right profile of buyers the right time on a one to one table top session. It is indeed an opportunity to tap the right profile of buyers under one roof. With the major objective to advance MICE and Corporate business product knowledge, IMCTM provides a single platform for B2B forum.

We wish you a fruitful meeting in Bogor.

Warm Regards,

Panca R. Sarungu

Chief Executive Officer

ABOUT GARUDA INDONESIA

Indonesia's commercial aviation history began when Indonesian people was in struggle to defend their independence. The first commercial flight from Calcutta to Rangoon was made on January 26, 1949, using a DC-3 Dakota aircraft with the tail number of "RI 001" and the name "Indonesian Airways". In the same year, on December 28, 1949, another DC-3 aircraft registered as PK-DPD and painted with "Garuda Indonesian Airways" logo flew from Jakarta to Yogyakarta to pick up President Soekarno. This Was the first flight made under the name of Garuda Indonesian Airways. The name "Garuda" was given President Soekarno, which he quoted from a Dutch poem composed by a popular poets that time, Noto Soeroto; "Ik ben Garuda, Vishnoe's vogel, die zijn vleugels uitslaat hoog bovine uw eilanden", meaning "I am Garuda, Vishnoe's bird which spread its wing high above your archipelago".
